

# The **FACTS** About Donation

Get the facts and then say **YES**

## **FACT** Lifesaving Impact

Just one donor can save up to eight lives through organ donation. More than 75 lives can be changed through tissue and eye donation.

## **FACT** The Need

Every 10 minutes someone is added to the transplant waiting list. When you say YES to donation, you create the possibility of a healthier future for one of your Wisconsin neighbors.

## **FACT** No Age Limit

Anyone 15 or older can register to be a donor regardless of health history. You are never too old to share the gifts of life, sight, or healing.

## **FACT** Access To Transplant

Each person waiting for an organ transplant benefits when there is a greater racial and ethnic diversity of registered donors from all communities.

## **FACT** Religious Support

All major religions support donation and consider it to be a generous and compassionate act of caring.

## **FACT** No Financial Cost

There are no additional costs for medical care associated with donation if you decide to be an organ, eye, and tissue donor.

## **FACT** Lifesaving Care

Efforts to save your life will always be the priority for medical professionals. After all efforts have been exhausted, donation then becomes an option.

## **FACT** Register Online Now

Scan the QR code below or register online at [DonateLifeWisconsin.org](http://DonateLifeWisconsin.org). It's easy!

## **FACT** Share Your Decision

Tell your family about your wishes and decision to be an organ, tissue, and eye donor.
