

# The Power of YES!

Donate Life Wisconsin (DLW) has created this presentation to provide drivers education instructors (or Donate Life volunteers) with relevant educational content which meets the requirements of the current Wisconsin Statute #343.71:

**Legislature Statute #343.71: Driver school records, curriculum, and operations.**  
**(5)** The department may not license a driver school unless its approved course of instruction does all the following:  
**b)** Provides at least 30 minutes of instruction relating to organ and tissue donation and organ and tissue procedures.

This 30-minute PowerPoint presentation provides important facts to future drivers before they consider their decision about registering as an organ, tissue, and eye donor on their driver’s license application.

The presentation and reference resources meet the following objective and targeted outcomes:

**OBJECTIVE:**

Provide information to assist new drivers in making an informed decision about whether or not to register as an organ, tissue, or eye donor.

**TARGETED OUTCOMES:**

The students will be able to:

- A. Describe the need for organ and tissue donation, what a person can donate, and how to register
- B. State who is eligible to donate
- C. Explain how the donation process works, the importance of making an informed decision, and the importance of discussing the decision with family
- D. Make an informed decision whether or not to register to be a donor
- E. Find more resources, if needed

**INSTRUCTORS:**
